DETAILED ACTION

Prelim./Amdt.

1. Receipt is acknowledged of the Amendment filed Sept 11, 2003.

Allowable Subject Matter

2. Claims 1-59 are allowed.
3. The following is an examiner's statement of reasons for allowance: With regard to independent claims 1, 12, 24, 30, and 47, the prior art of record does not disclose a light mounting panel for connecting to a luminaire having a second wall extending upwardly and inwardly from the upper surface of the base at the second outer edge. Further, the prior art of record does not disclose a first fixed tab extending laterally outwardly from the first wall to engage a first slot in the luminaire frame and a second tab extending outwardly from the second wall and being movable between an insertion position within a periphery of the base and an installed position extending laterally outwardly from the periphery to engage a second slot in the luminaire frame. Claims 2-11, 13-23, 25-29, 31-46 and 48-59 depend from claims 1, 12, 24, 30, and 47. Therefore, claims 1-59 are patentable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
